About

CA Shekar Sanda, FCA, DISA

Expertise

A fellow chartered accountant with more than 12 years of professional experience in auditing, finance and taxation and a diploma holder in international taxation and information system audit. His academic record right from the start was excellent, Which brought him an all india 27th rank in ca exams. After he qualified as a chartered accountant in the year 2012, He worked with a leading legal firm in bangalore and gained ample experience in taxation and audit. His passion for practice drove him to set up the firm in the year 2013. His knowledge is a perfect blend of experience and has a great desire for learning.

Vision

To be one among the leading indian chartered accountant firms by delivering quality solutions in professional and time-bound manner. The firm has a vision of taking the professionalism to its new heights by delivering the professional services with more value addition and in the most cost effective and time bound manner.

Mission

By providing quality services to our clients with commitment to uphold high standards of confidentiality, objectivity and integrity. By making ourselves available at the most needed hour to our clientele. We always strive to create and maintain long term relationship with utmost trust and confidence with our clientele. We work towards the goal of commitment and deliverability.

Services

AUDIT & ASSURANCE

"Auditing" is a systematic examination of financial statements through collection of sufficient and appropriate evidence with an intention of expressing an opinion whether the financial statements give true and fair picture or not.

Our audit and assurances service offerings are based on a complete understanding of the clients' business specifics, industry peculiarities and the applicable laws. The audit approach is based on the compliance issues, The nature and requirement for audit, the clients' requirement and key risk issues involved.

- Statutory audit
- Internal audit
- Tax audit
- Management audits
- Financial and other due diligence for parties interested in partnerships, takeovers, collaborations, etc.
- Financial and other due diligence for parties interested in partnerships, takeovers, collaborations, etc.

INCOME TAX

Corporates as well as individuals are required to comply with a number of income tax compliances, Which require expert knowledge and are mostly time-bound and technical in nature. Moreover, most of the income tax compliances nowadays are required to be completed online and require specialized knowledge and expertise. We specialize in providing time-bound and quality income tax services to our clients. Our range of income tax services covers all aspects of Indian income tax laws.

We provide the following income tax services:

- Representation before the tax authorities for assessments, appeals, search & seizure cases.
- Cross border advisory on international tax issues
- Transfer pricing study and reports
- Tax management services, advisory services to manage the tax liability under Indian tax laws.
- Filing of All Relevant Returns Under Income Tax Act.

GOODS AND SERVICE TAX (GST)

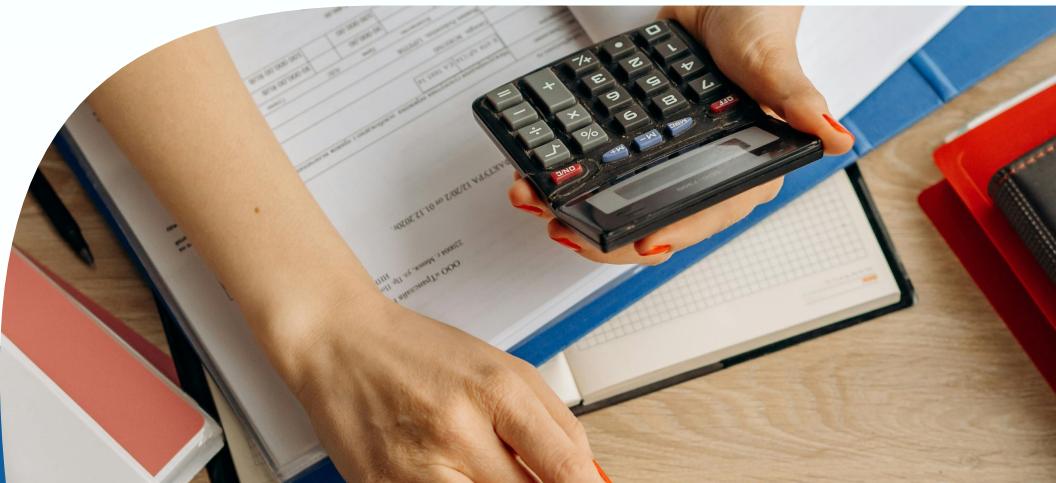

We have been practicing GST, AP VAT, CST, Service Tax and Central Excise right from the inception of the firm. This has always been the platform which linked the firm to the client and helped strengthen the relationship with them. This is the domain where we feel that the firm has created a niche for itself. the basket of services offered has in it the following;

- Impact Study of the client's business post GST regime.
- Representation before GST Authorities w.r.t Adjudication and Appellate proceedings
- GST Compliance and Returns Filing
- GST Audit
- GST Advisory Services.

BUSINESS SUPPORT SERVICES

Our business support services are designed to enhance efficiency and streamline operations, allowing you to focus on core business activities while we handle the crucial support functions. These services ensure that your financial systems, reporting, and compliance requirements are met with precision and timeliness.

CORPORATE AND OTHER CONSULTANCY SERVICES

We offer advisory services to clients in many aspects of their businesses. This includes structuring of business transactions, agreements, formation of new entities, partnerships etc.

- FEMA
- Cross Holding and Inter Holding
- Business Valuation
- Maintenance of Statutory Records and Registers

END TO END ACCOUNTING SOLUTIONS FOR SMALL AND MEDIUM SCALE ENTERPRISES

Proper book keeping of an account is crucial as it helps the management analyze several factors like revenue generation, Incurred expenses and profitability from projects. It also assures statutory compliances on a timely basis. Financial accounting outsourcing helps in determining the cost of each product and the associated overheads in carrying out the business activity. In this era of business where the laws regulating it are subject to changes day by day, The industry is expected to sustain, adapt and metamorphose its accounting process systems into the next level of efficiency. It needs to have people equipped with the required stuff and experience. The firm has got a great role to play here especially in the small and medium scale enterprises which cannot afford to have independent accounting departments. The firm deputes a person having the required skill and expertise to take care of all issues with respect to accounts, payroll, taxation, regular filings, payments, managing funds, and project finance etc.

INDUSTRY EXPERIENCE
